Sweet Charlie is 8.5 years old, weighs 18 pounds and is looking for a forever home.   He is looking for a home where his alone time would be minimal, a mom and/or dad that likes to take walks and that are proficient in the art of belly rubs.   Charlie loves walks, he gets all proud....chest out, tail up!! Charlie loves being outside so a fenced in yard is required.

Charlie needs to be an only dog. He will take a walk with other dogs but would prefer not to share his human.

Adoption Fee: $275.00
